Narratives

Disaster Damage:

In June and July of 2008, numerous counties in Southern Wisconsin experienced heavy rain, hail, and damaging winds that resulted in record flooding. Supercell thunderstorms and sustained rainfall of two inches per hour in some areas caused flash flooding. Recurring rains over an extended period added more water to already flooded areas causing road closures, mudslides, and washouts. High winds, rotating wall clouds, and tornadoes added to the destruction and damage. Sandbagging held back the water in some areas, but was not enough in others. Evacuations were implemented. When the rains and severe weather finally subsided, five all time river cresting records were set and many others were at or near record levels. Thirty one of Wisconsin's 72 counties were declared as Presidential disaster areas. Residents of all but one (Lafayette) of the declared counties are eligible for FEMA Individual Assistance to help with housing repair costs. Almost 41,000 households registered with FEMA. FEMA estimates indicate that the IA unmet need exceeds \$92 million. There is a significant gap between flood repair costs and the assistance that could be provided through FEMA, insurance and alternative sources. Communities in all but one (Manitowoc) of the declared counties are eligible for FEMA's Public Assistance Program. FEMA assistance can provide up to 75% of the cost of the repair of public infrastructure. The State has estimated that there is \$40 million in total unmet infrastructure needs to provide the required match for FEMA's Public Assistance Program.

Recovery Needs:

The following are some of the estimated impacts and recovery needs compiled by the Wisconsin Recovery Task Force in just the business, housing, and infrastructure categories. (The full Wisconsin Recovery Task Force Report to the Governor (Nov. 2008) is available at: <http://rtf.wi.gov/LinkClick.aspx?fileticket=Bix1qIkAtVg%3d&tabid=36&mid=481>.) Economic and Business • \$400 million of crop losses with low-lying farm field hardest hit. • Significant percentage of fresh vegetable and organic farms impacted. • 38 counties designated eligible for USDA assistance by the Secretary of Agriculture in October 2008. • \$260 million in unmet business needs estimated for more than 5,200 businesses • that applied to SBA for loans. • \$7.0 million in damages to Tyson Foods in Jefferson. Forced to cut production • resulting in the loss of 200 permanent positions. • \$1.5 million in damages to Evonik Goldschmidt Corporation. Forced to cease • production for nearly a month. • 1,777 workers laid off in July due to plant closures. • 71% increase in initial claims for unemployment insurance; initial claims increased by over 31,500 from May through July 2008. • 75% decline in tourism revenues in certain disaster areas. • \$20 million lost business in Lake Delton, a popular tourist destination, after a breached embankment drained the lake (and washed away several houses). Housing • Over \$92 million unmet housing needs for the almost 41,000 households registered with FEMA. • \$12,189,774 in 1,364 claims filed with the National Flood Insurance Program. • \$36.5 million in SBA loans approved for 1,733 individuals. • Publicly financed multifamily and elderly affordable housing stock received limited flood damages. • \$46.7 million in housing assistance provided by FEMA (includes rental assistance, minimal repair grants, and replacement). • \$51 million needed to acquire 345 substantially damaged properties in 24 targeted communities. Infrastructure • \$40.0 million in total unmet infrastructure needs to provide the required state and local match for FEMA's Public Assistance Program. • 844 local, county, state and private non-profit organizations have applied for the Public Assistance Program. • WisDOT estimates \$30 million in damages to On-System Roads and Bridges. • \$20.5 million in County/Local Routes (non-federal aid roads). • \$5.6 million in claims for municipal buildings have been submitted to the Office of the Insurance Commissioner. • \$17.5 million in damages to publicly owned dams. • \$2.5 million of damages to privately owned dam structures. • \$25.0 million for municipally owned Water Supply Systems and Wastewater Treatment Plants. • \$3.3 million for DNR owned Natural Resource Facilities (State Parks, trails, and forests, wildlife management areas, marshes, boat access facilities, endangered resource areas, fishery facilities, and restoration projects)

Progress Toward Activity Type Targets

Activity Type	Target	Actual
Affordable Rental Housing	\$12,939,012.69	\$13,419,090.00

Progress Toward National Objective Targets

National Objective	Target	Actual
Low/Mod	\$57,763,449.50	\$67,977,699.14

Overall Progress Narrative:

Through the end of the Quarter, the Department CDBG-IKE Disaster Recovery fund obligations for flood related activities total \$114,636,142 (99.0%) with expenditures of \$105,492,291 (91.3%). Over 58% of CDBG DR-Ike activities qualify for the LMI national objective benefit. The Department's \$13.4 million of Affordable Rental Housing projects exceeds the \$11.2 million minimum threshold established for the CDBG-IKE allocation. DREF activity obligations and expenditures continue to exceed the minimum target amount of \$16,120,566. All 20 projects in the IKE 10 Bucket Floodplain Mapping ULN are completed and closed. The priorities for program managers include: reconciliation of awards and expenditures and closeout of grant activities. One CDBG experienced staff person continues as a project employee to assist permanent staff with reconciliation of funds, project close-outs and reporting for the Emergency Assistance/Disaster Recovery program.
